NEW THIS MONTH

SEPTEMBER RECAP

Last month we had our very first chapter meeting where members got to meet their new chapter officers, meet new people, and sign up for CDEs. Most of the CDEs have started, but it's never too late to join! Also, many of our members showed up and competed at our local county fairs.

COMING UP

This month Eastmont FFA chapter meeting will be on October 10th in Julson's shop at the high school and we will be electing the Jr. high officer team. They will be giving a speech about why they would be a good fit as a Jr. officer.

The annual Evergreen Tour will be on October 3 and we will be taking 21 students from our chapter. At Evergreen Tour, the Washington State officers teach the district members about leadership and what that looks like.

Additionally, the chapter officers will be taking tours of local agriculture businesses this month and sharing what they learned with our members.

With CDEs in full swing, the floral team has their first practice contest on the 21st in Kennewick.

Summer Recap <<<

Alexis May

Many members over the summer did activities such as training as officers, fair preparation, orientations, Chelan County Fair, NCW Fair, and raising an animal! This summer your chapter officers planned the year and meetings for our members and activities for the upcoming year! We are excited to share them with you all this year!

>>> CDEs that have started

- Trapshooting
- Ag Issues
- Vet Science
- Milk Quality
- Floriculture
- Nursery Landscape
- Potato Judging
- Apple Judging
- Environmental Natural Resources
- Poultry Evaluation
- Food Science
- Horse Evaluation
- Livestock Evaluation

MEET YOUR HIGH SCHOOL OFFICERS 2023-2024

President: Chloe T.
Class: Senior
Fun Fact: I work at a butcher shop!

Vice President: Bailey H.
Class: Sophomore
Fun Fact: This my 2nd year competeing in FFA!

Secatary: Aubrey A.
Class: Sophomore
Fun Fact: I have a rabbit named Cowboy!

Treasurer: Jaymie P.
Class: Sophomore
Fun Fact: I play the French Horn!

Reporter: Sandra M.
Class: Sophomore
Fun Fact: I don't like peanut butter!

Sentinel: Rylan S.
Class: Sophomore
Fun Fact: My sister was the chapter president last year!

Historian: Alexis M.
Class: Sophomore
Fun Fact: I love Dr.Pepper!

»» NCW & CCF FAIRS 2023

Sandra Mendoza

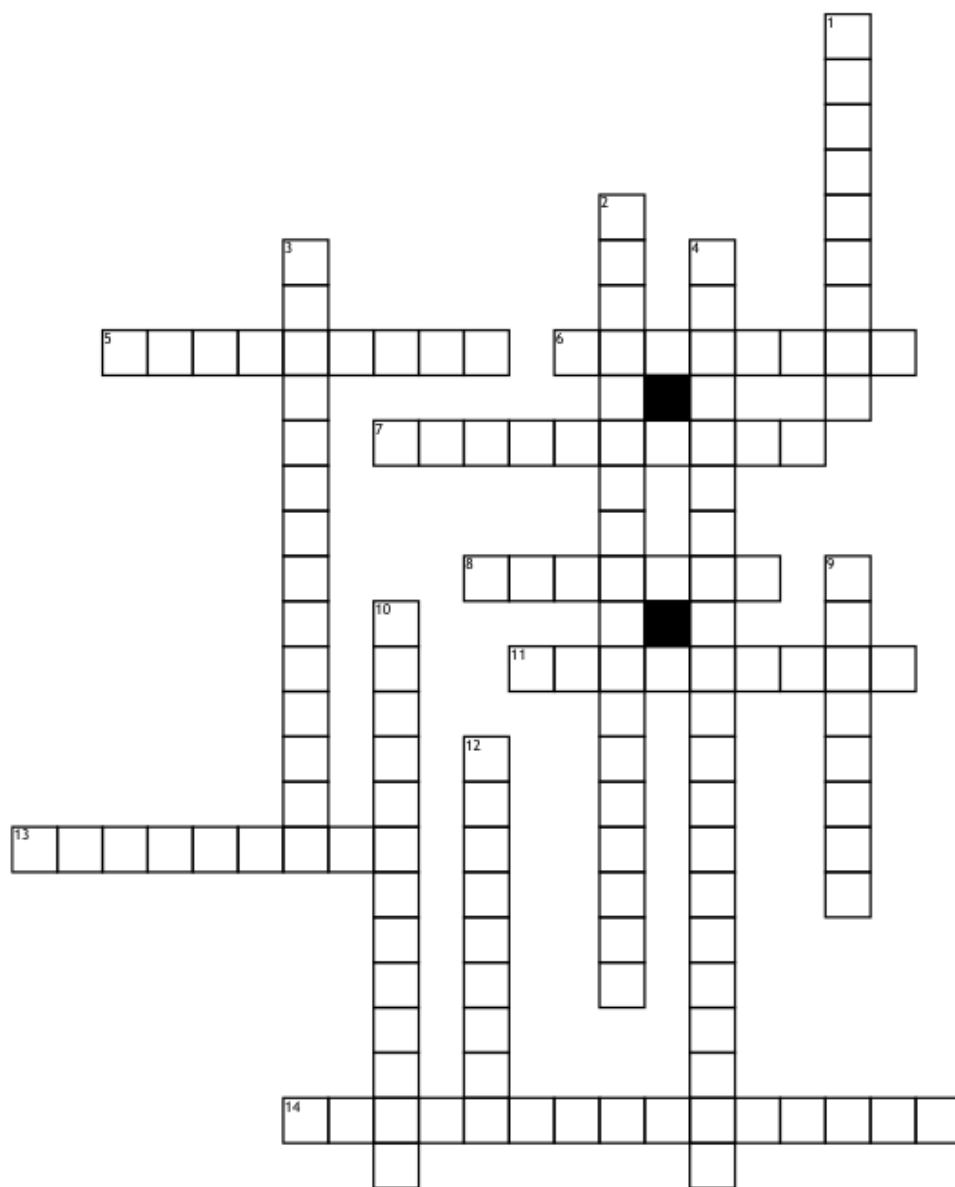

At the Waterville and Chelan County fair this year many members raised and showed animals to bring to our local county fairs! Our students had animals such as goats, sheep, steers, pigs, rabbits, chickens, and ducks. Animals weren't the only things our amazing members brought to the fairs. Many brought photography, flower arrangements, artwork, and much more.

We also participated in the CDEs at fairs such as Produce Judging, Livestock Evaluation, and Horse Evaluation. Raising any livestock animal can be a lot of responsibility and work, but it's a challenge many of our members love to take. We always love to see our amazing member show off their months of hard work at the local fair.

Our officer team also worked with the NCW Fair to have an FFA informational booth to educate fair-goers about FFA. We also were visited by many familiar faces including Mr. Schmutzler and Mr. Bruner.
