Part IV: Diagnostic Assessments

Diagnostic assessment is a particular type of formative assessment intended to help educators identify students' specific knowledge, skills, and understanding in order to build on each student's strengths and specific needs. Because of their domain specificity and design, diagnostic assessments can guide curriculum planning in more specific ways than most summative assessments.

5. Please select the **academic** diagnostic assessments predominantly used in each grade level in your LEA to monitor, assess, and target supports for student learning. The list below is not exhaustive and contains places to include diagnostics not listed.

Part VII: Monitoring Student Progress

13. Describe how your LEA will consistently apply the selected equity analysis and diagnostic assessments to evaluate and monitor student progress and effectiveness of the strategies/interventions implemented to address gaps in student learning and well-being.

Eastmont SD #206 Academic and Student Well-Being Recovery Plan

The district will evaluate achievement (assessments, grades) and attendance data to measure the impact of the identified plans for identified student groups.

Each school building will report to the public/school board their progress in addressing disproportionate achievement data for identified sub groups of students.

Part VIII: Supports for Strategies/Interventions

14. Of the strategies/interventions your LEA has implemented or is planning to implement, identify **up to three** in which your LEA has the knowledge, skills, and capacity to mentor another LEA.

We will work within our ESD to share successes and challenges. We also have partnered with WSU on equity in grading practices.

15. Of the strategies/interventions your LEA has implemented or is planning to implement, please identify **up to three** strategies for which your LEA needs more support.

We will work within our ESD to share successes and challenges. MTSS is a growth area for our school district and we would welcome opportunities to collaborate regionally.
